TOWN OF NORWELL
TOWN CLERK
2015 JUL 30 AM 8:21
RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Ken Cadman, Kevin Cafferty, Pat Palzkill, Jim Kelliher and Bob Woodill. The meeting was held in the Planning Office.

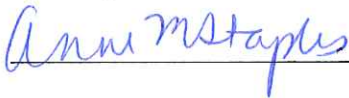

Jacob's Property: Anne Staples and Chris DiIorio met with Martin Jacobs regarding his property and our proposal to bring the pathway though to Donovan's Fields from the Middle School. There is an existing trail that goes across his property now that he had wanted closed off for years. However, he would be open to the town purchasing a portion of his land for the pathway.

Future Projects

CPC Funding: The Town approved the CPC application for \$300,000 for design, engineering, permitting and construction of the pathway. This will enable the construction of the South Street pathway and the design of the Middle School to Circuit Street pathway.

Member Staples moved to adjourn at 8:30. The motion was approved 6-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 29, 2015.
