TOWN OF NORWELL  
TOWN CLERK

2015 JUL 30 AM 8:22

RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Ken Cadman, Kevin Cafferty, Pat Palzkill, Jim Kelliher and Bob Woodill. The meeting was held in the Planning Office.

**22 Circuit Street Land Purchase:** Jacobs is willing to accept \$10,000 for the parcel of land. A purchase offer will be drafted for Jacobs to sign indicating he will accept \$10,000 for the property. Once he signs and returns the agreement Webby Engineering, who did a survey plan for the same lot several years ago, has been contacted to develop the ANR plan for the land division.

**Future Pathway**

**South Street Pathway:** Mass Reclamation has been contacted to do the work for the Highway Department and Capone has been contacted to do the pathway. Both of these contractors are on the South Shore consortium so no competitive bids are necessary. Cost of this work is under \$200,000. The Committee is waiting for the decision from CPC regarding the viability of using CPC funds for the drainage work.

**CPC Funding:** Meeting is scheduled for 8/8 to review the pathways application. The Planning Board approved the application on 7/25.

*Member Palzkill moved to adjourn at 8:30. The motion was approved 6-0.*

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 29, 2015.
