

**Minutes of Meeting  
Pathway Committee  
October 16, 2013  
7:00 PM, Room 112, Town Hall**

TOWN OF NORWELL  
TOWN CLERK

2015 JUL 30 AM 8:23

RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Ken Cadman, Kevin Cafferty, Pat Palzkill, ~~Jim Kelliher~~, Bob Woodill, Brendan Sullivan, Brendan Recupero(alt) and Pam Brake (alt). The meeting was held in the Planning Office.

**CPC Funding:** Town meeting approved the CPC article for \$900,000.

**South Street Pathway:** Drainage work is close to completion. Staff met with the Postmaster regarding the mailboxes on South Street. The post office will not allow the mailboxes to be put on the far side of the path because the mail man would have to get out of the vehicle to deliver the mail and that would be up against union regulations. The mailboxes will be put in a sleeve a foot from the roadway edge that will be installed by Capone.

**Town Center Path Phase 2A:** Town meeting approved the purchase of the Jacobs property and the CPC cost of \$7,500. Horsley Witten is looking at straightening out the pathway to eliminate the paving component in the area adjacent to the Reserve. This would increase the amount of boardwalk, but have less impact on the neighbors and the wetlands, while improving the functionality of the path.

*Member Cafferty moved to adjourn at 8:00. The motion was approved 6-0.*

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 29, 2015.
