Member Staples moved to pay the bill. The motion was approved 7-0.

Town Center Path

Forest Street

Phase 2A Regarding the resident at 221 Forest Street the plans Horsley Witten is looking at ways to reduce any stormwater runoff onto their property. A plan has also been proposed to eliminate the stone wall alteration.

The Conservation meeting on 2/4/15 focused on the options for crossing the finger wetland with Conservation members having several opinions about the best way to do that. Horsley Witten has presented several plans to the committee and the committee wants to move ahead with the shortest possible crossing. That will be presented at the next meeting. The various options have been staked in the field by Horsley Witten.

Phase 2B: The project was presented to CPC on 2/23/14 as two options. The preferred track to the center through Miller Woods with the option of Forest Street to Gaffield if private property could not be secured or if costs were prohibitive. The funding request is \$900,000.

Member Staples moved close the meeting at 7:30. The motion was approved 7-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 29, 2015.
