RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Ken Cadman, Kevin Cafferty, Pat Palzkill, Jim Kelliher, Bob Woodill, Brendan Sullivan, Brendan Recupero (alt) and Pam Brake (alt). The meeting was held in the Planning Office.

Bills

Tibbetts Engineering \$9,341.02
Horsley Witten \$3,110.20

Member Kelliher moved to pay the bill. The motion was approved 7-0.

Town Center Path and Forest Street

Phase 2A:

Member Cafferty moved to file a Scenic Road application with the Planning Board for the phase 2A section of work on Forest Street. The motion was approved 7-0.

Lopes is continuing the boardwalk construction and the railings will be finished soon. There is an issue with the wrong trees being planted in the field along the paved section of path near Circuit Street. Lopes has agreed to shift the existing trees and plant 6 apple trees along the pathway as required in the plans.

The committee discussed striping the bike path to match the first phase of pathway. Though no one particularly likes the appearance of the bike path with lines there was thought that the lines improved safety. *Member Cadman moved to have the pathway striped. The motion was approved 4-2 with Members Staples and Woodill voting against.*

Phase 2B: Horsley Witten has recommended the plans include shallow sidewalk cross drains in place of the proposed drop inlets so that the construction does not interfere with existing water lines beneath the sidewalk. Grading and Drainage has been finalized. The Board reviewed the final plans.

Member Cafferty moved to approve the final plan set and have Horsley Witten prepare and application with Conservation. The motion was approved 7-0.

22 Forest Street

ANR plan for the property at 22 Forest Street is complete and an application has been filed with

the Planning Board.

Future Pathway

CPC applications for the Gaffield to Town Center and the Simon Hill pathway were filed with CPC for the 10/15/15 deadline.

Member Palzkill moved to close the meeting at 8:30. The motion was approved 7-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 29, 2015.
