Town Center Path

Kevin Cafferty attended the CPC meeting on 12/4 to discuss the section of pathway from Gaffield Park to the town common. This is the last phase of the planned connection from the High School to the town center. The CPC was supportive of finishing the project. In the future, the CPC wants to see a more detailed plan regarding future pathways and what the overall goal of the committee is. They also want to see a maintenance plan for the pathways previously constructed.

Forest Street

Phase 2A: Scenic Road was approved by the Planning Board for phase 2A of pathway on 11/19/14.

The add/alt contract with G.Lopes has been signed with work to begin in the spring.
