

TOWN OF NORWELL
TOWN CLERK

2016 APR -7 AM 9:11

RECEIVED

**Minutes of Meeting
Pathway Committee
March 2, 2016
7:00 PM, Room 112, Town Hall**

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Ken Cadman, Kevin Cafferty, Pat Palzkill, Jim Kelliher, Bob Woodill, Brendan Sullivan, Brendan Recupero (alt) and Pam Brake (alt). The meeting was held in the Planning Office.

Agenda

Member Sullivan moved to approve the agenda. The motion was approved 7-0.

Bills

Horsley Witten	Invoice 38092	\$1,432.40
----------------	---------------	------------

Member Sullivan moved that the committee pay the invoice. The motion was approved 7-0.

Town Center Path Design

The committee discussed the area near the James Library and the potential conflicts with ADA compliance work that is proposed for the Library. The design for that area is not complete and the committee determined that any reconstruction of the West/River Street intersection should happen after the Library has completed their design. It is envisioned that the work would happen with the town center redevelopment project and not this pathways project.

Member Sullivan moved that the committee have Horsley Witten design the pathway up to the West/River intersection and to Norris Reservation. The motion was approved 7-0.

Forest Street Pathway

The committee discussed opportunities to make the new pathway safer for pedestrians and bicyclists. The committee discussed installing wooden guard rails, painting a fog line to better define the roadway, improving signage, and painting pedestrian crossing identifiers in the roadway itself to make motorists more aware of the pathway crossings.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on April 6, 2016.

A handwritten signature in black ink, appearing to be 'M. W.', written over a horizontal line.
