**Grove Street Parking Lot for Wompatuck State Park Access**

DCR has not indicated that the town will receive the grant to construct a parking lot to provide a new access into Wompatuck State Park. The committee discussed the potential for a gravel parking lot to be installed by the Highway Department and if this meets ADA requirements. This needs to be further explored. Friends of Wompatuck have not responded as to their current interest in constructing a new access path to the park.
