RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Ken Cadman, Kevin Cafferty, Pat Palzkill, Jim Kelliher, ~~Bob Woodill~~, ~~Brendan Sullivan~~, Brendan Recuperero (alt) and Pam Brake-(alt). The meeting began at the Miller Woods parking lot and then the group toured the constructed pathway.

**Agenda**

*Member Cafferty moved to approve the agenda. The motion was approved 5-0.*

**6/15/16 Minutes**

*Member Recuperero moved to approve the minutes. The motion was approved 4-0 (Member Cadman recused himself).*

**Forest Street Path Completion Schedule and Outstanding Issues**

Mass Reclamation is in the final stages of construction, the Committee identified several remaining items to address:

1. The transitions from the asphalt to concrete pads need to be flush. The existing offset could be an ADA issue.
2. Striping of the roadway and a fog line along the sides of the roadway will help motorists stay in the driving lane. Highway Director will be contacted about this.
3. Mortar the missing joints between curbing.
4. Reinstall removed signage.
5. Fill areas where stumps were removed along Gaffield Park.
6. Sweep asphalt from granite curb areas.
7. Regrade and seed corner at River Street
8. Grind stumps if required.
9. Clean off and better expose Water Department lids.
10. Install reflectors on telephone poles.

*Member Cadman moved to adjourn the meeting at 8:00. The motion was approved 5-0.*

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on July 20, 2016.
