

Pathway Committee
Minutes for November 10, 2010

TOWN OF NORWELL
TOWN CLERK

2015 AUG -6 AM 8: 21

Attending: Sally Turner, Scott Raeside, Anne Staples, Kevin Cafferty, Chris Mickle, Chris Dilorio

Discussion: Acceptance of Minutes for 10/27/10 vote to approve 5-0.

Discussion: Materials for DCR grant were discussed. The remaining materials would be collected by the Town Planner and forwarded to DCR. The grant would be for \$50,000 and would help fund the construction of the path.

Discussion: H.W. Group has filed the ANRAD to determine the wetland boundary and the amount of wetland alteration that would occur as a result of the proposed pathway. Con Com closed their hearing on November 2. Amy Ball, Wetland Scientist at HWG, submitted a letter regarding the likely outcome of 9000 SF wetland alteration and the options the committee has to proceed. This level of alteration would take the proposed pathway out of the limited project category and make the approval process substantially more complex. The committee will contact DEP for their interpretation of alteration and if the square footage of a boardwalk would be considered alteration or just the connections at the ground.
