TOWN OF NORWELL

RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, Chris Mickle, David Vose, Kevin Cafferty, Sally Turner and Scott Raeside. The meeting was held in the Planning Office.

Bills

Horsley Witten, 10/31/10: \$2971.82

Horsley Witten, 11/30/10: \$ 575.00

Member Cafferty moved to pay the bills. The motion was approved 6-0.

Horsley Witten Pathway Plan

The Committee continued to review the 25% plans. There was discussion regarding materials to be used for construction, crushed gravel v. asphalt. The majority of the members think that asphalt would be preferred due to the reduced maintenance requirements.

Member Staples moved to finalize the layout and design of the pathway from Cushing Hill to the Middle School using 8 foot wide asphalt and wooden boardwalk where necessary. The motion was approved 4-1-1 with Member Vose voting against and Member Mickles abstaining.

The route for the pathway to take continues to be modified. The committee wants to see the path go around the area in the Highway Department yard that needs to be excavated to meet Con Com orders. Additional survey work needs to be done around the DPW area prior to the NOI being filed with Con Com.

Member Mickles moved that the meeting adjourn at 8:30. The motion was approved 6-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on August 26, 2015.

Anne Staples
