Wickcraft Company \$1,620

Revised Pathway Proposal

Horsley Witten attended the meeting and the committee discussed completely bypassing the highway yard area and constructing the path along the edge of the Osborn fields. Horsley Witten will need to perform a survey of that area prior to any design work. This will require a change order to perform the survey work. The committee agreed to use helical piles for the boardwalk sections.

Con Com NOI

Preliminary Plan set and NOI application has been forwarded to the committee from Horsley Witten.

AW Perry Parcel 55-03

A P&S has been agreed to with AW Perry for the parcel of land to connect the Middle School property with the Cushing Hill property. Perry has agreed to sell the property to the town for the appraised value of \$3,900.

Member Raeside moved that the meeting adjourn at 9:15. The motion was approved 4-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on August 26, 2015.
