RECEIVED

The meeting was called to order at approximately 7:00 p.m. Present were Committee Members Anne Staples, ~~Kevin Cafferty~~, Sally Turner, Ken Cadman, Patrick Palzkill and ~~Scott Raeside~~. The meeting was held in the Planning Office. On June 8th the Planning Board voted to appoint Ken Cadman and Patrick Palzkill to the Committee as at-large members.

The new members were given an overview of the project.

Con Com NOI

The NOI application was submitted to Conservation on 5/26/11. Horsley Witten and members of the committee met with Conservation on 6/7/11 to request that two borings be allowed to occur in wetland areas. The Commission required an RDA application and could potentially vote on that request on the 21st.

Highway Yard Area

The Selectmen are going to move forward with the Highway Yard mitigation work at this time. It is unclear how this will affect the pathway design or work schedule. The committee will meet with Selectmen McBride regarding the two projects and to work out any logistical or design issues.

Member Turner moved to adjourn the meeting. The motion was approved 4-0.

I certify that the above minutes were reviewed and approved by the majority vote by the Pathways Committee on August 26, 2015.
