

The Norwell All Are Welcome Committee invites you to our virtual GATHERINGS ...

*These new series features local speakers
working to support & celebrate diversity.*

Wanjiku Mwangi from the charity Growth Through Learning will be featured on: **Thursday, February 4th @ 7:00pm** via 

Join us for a short presentation about Growth through Learning's work to support access to secondary school education for young women in Kenya, Tanzania, and Uganda. Wanjiku Mwangi, an experienced international development professional and the Executive Director of Growth Through Learning, will answer live questions and answers about gender equity in education and her organization's impact on the wider community.
