Martha Elliott and Race Amity

Thursday, May 6th @ 7:00pm via

Our guest speaker will be Martha Elliott, she will tell us all about the Race Amity movement and her role in organizing the annual conference of the National Center for Race Amity. The Race Amity movement is a celebration of the “other tradition” of cross cultural **friendship, respect, kindness and collaboration**. It has been exactly 100 years since the first Race Amity conference held in Massachusetts 1921, so this year is a tremendously important milestone to celebrate. Please see <https://raceamity.org> for more information.
