## ***FINDINGS AND DECISION*** **OF** **THE NORWELL BOARD OF APPEALS**

File No.: 18-30

A public hearing was scheduled on March 6, 2019, at 7:35 P.M. by the Norwell Zoning Board of Appeals (the Board) under Massachusetts General Laws, Chapter 40A, Sections 6 and 9, at the Norwell Town Offices, 345 Main Street, Norwell, MA on the Application (the Application) of:

John and MaryLou Dynan  
6 Gerard Rd.  
Norwell, MA 02061

For a **Special Permit and Section 6 Finding** under the Norwell Zoning Bylaw, Sections 1642(c), 2421 (Lot Area), 2441 (Front Yard) and 2442 (Side & Rear Yards) for Property located at **6 Gerard Rd** (the "Property") in Residential District B as shown on Assessor's Maps 6C, Block 21, Lot 5, and filed with the Plymouth County Land Court Certificate of Title No.: 100693. The Applicants are seeking approval to construct an addition to a building that is on a pre-existing, non-conforming lot. The lot consists of .23 acres and therefore does not conform to the minimum lot size requirement of one acre. The

building does not conform to the front yard setback requirements of 35 feet with only 23.2 feet. The building currently conforms to the side yard requirement of 20 feet on the northerly side of the yard with the structure 21.7 feet from the property line. The proposed addition would result in the structure 18 feet from the property line. The house was built in 1953 prior to the existing zoning by-laws.

The application was duly noticed in *The Norwell Mariner* on February 14, 2019, and February 21, 2019, and posted at the Norwell Town Hall to fulfill requirements of the Open Meeting Law.

Mr. and Mrs. Dynan presented the application and responded to questions from Board members. Richard Burchill also appeared as the applicants' representative and building contractor. No member of the public spoke in favor of or in opposition to this application.

**FILE INVENTORY:** Documents submitted, included but not limited to the following, were received by the Board:

1. Application, signed by the Applicants, received and stamped by the Town Clerk on February 11, 2019, and by the Board of Appeals on February 6, 2019;
2. Certified Plot Plan dated February 28, 2017 prepared by Cavanaro Consulting Group of 687 Main Street, Norwell, MA; and
3. Architectural Plans, consisting of six drawings and cover sheet, prepared by Duxborough Designs of 153 West Street, Duxbury, MA, dated January 25, 2019.
4. The Board of Assessors property record card for the Property.
5. Compliance approval for the proposed addition and alterations by the Norwell Board of Health and the Norwell Conservation Commission.

**FINDINGS:**

1. The property is located in Residential District B and includes an existing single family home that was built in 1953 prior to the existing zoning by-laws. The Applicants are seeking approval to construct an addition in accordance with the submitted plans, noted in Paragraphs 2 and 3 in the File Inventory above.
2. The Board may issue a Section 6 finding pursuant to M.G.L. c. 40A and Section 1620 of the Norwell Zoning Bylaw, if it finds that
  - a. "The conduct of the proposed use will not be detrimental to the neighborhood and zoning district . . ."  
**Finding:** As the property will continue to be used as a dwelling unit, the Board finds the proposed addition will not be detrimental to the neighborhood and zoning district.
  - b. ". . . the proposed use will not significantly alter the character of the zoning district".

**Finding:** The Board finds, as the property is located in Residential District B, the existing use as a residence is allowed by right and will, therefore, not alter the character of the zoning district.

- c. "The conduct of the proposed use will not be injurious, noxious, or offensive to the neighborhood by reason of the emission of odors, fumes, dust, smoke, noise or other cause, nor hazardous to the community on account of fire, explosion or other cause."

**Finding:** As the property will continue to be used as a dwelling unit, the Board finds the proposed addition will not be injurious, noxious, or offensive to the neighborhood, an allowed use.

- 3. There was no objection to the proposed construction plans submitted to the Board either through testimony or in writing.

### **DECISION OF THE BOARD:**

Based upon the evidence presented and its findings detailed above and incorporated herein and forming a part of this decision, upon a motion duly made and seconded, Members Barbour, Rivkind, and Bjorlin **VOTED** unanimously to grant a **Special Permit** and **Section 6 Finding** for approval to construct an addition on property located at 6 Gerard Rd. in accordance with the filed plans, subject to the following:
