Finding: As the property will continue to be used as a dwelling unit, an allowed use in Residential District A, the Board finds the proposed addition will with the front, side, and rear setback requirements and will not be more detrimental to the neighborhood and zoning district in a neighborhood of similar residences.

- b. "... the proposed use will not significantly alter the character of the zoning district".

Finding: The Board finds, as the property is located in Residential District B, the existing use as a residence is allowed by right and will, therefore, not alter the character of the zoning district.

- c. "The conduct of the proposed use will not be injurious, noxious, or offensive to the neighborhood by reason of the emission of odors, fumes, dust, smoke, noise or other cause, nor hazardous to the community on account of fire, explosion or other cause."

Finding: As the property will continue to be used as a dwelling unit, the Board finds the proposed addition will not be injurious, noxious, or offensive to the neighborhood, as a continuing allowed use.
