**Subject:** 119 High Street Request for Home Water Testing

Good Morning,

My name is Alison (Sheehan) Carrasquillo and I live at 119 High Street along with my husband and two children. Please allow this email to serve as a formal request to test our water pressure at our residence of 119 High Street. We have lived on High Street for almost three years and we have grave concerns regarding the low water pressure on our property. As residents we would

like to get a fair and accurate assessment of what we are actually receiving for the water pressure we pay for.

Please advise as to when this testing will occur.

Donna and Roberta, if you would forward this letter to all members of the Board of Water Commissioners and the Norwell Zoning Board of Appeals it would be appreciated. I would also like to request that this correspondence be incorporated in the minutes of the Public Hearings of the Zoning Board of Appeals so that it is a matter of public record.

Please confirm that you are in receipt of this email. Thank you for your assistance with this matter.

Sincerely,

Alison Sheehan
