This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

YOUR CARE

Your Primary Care Provider (PCP)

When you enroll in this health plan, you must choose a primary care provider. Be sure to choose a PCP who can accept you and your family members and who participates in the network of providers in New England. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org; consult Find a Doctor at bluecrossma.com/findadoctor; or call the Member Service number on your ID card.

If you have trouble choosing a doctor, Member Service can help. They can give you the doctor's gender, the medical school the doctor attended, and whether there are languages other than English spoken in the office.

Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is likely affiliated with your PCP's hospital or medical group.

You will not need prior authorization or referral to see an HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for copayments for covered services. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your out-of-pocket maximum for medical benefits is **\$2,000** per member (or **\$4,000** per family). Your out-of-pocket maximum for prescription drug benefits is **\$3,000** per member (or **\$6,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

Telehealth services are covered when the same in-person service would be covered by the health plan and the use of telehealth is appropriate. Your health care provider will work with you to determine if a telehealth visit is medically appropriate for your health care needs or if an in-person visit is required. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org, consult Find a Doctor, or call the Member Service number on your ID card.

Your Virtual Care Team

Your health plan includes an option for a tech-enabled primary care delivery model where virtual care team covered providers furnish certain covered services. See your benefit description (and riders, if any) for exact coverage details.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your benefit description for more information.

Value Care Offering Coverage

Your cost share may be waived or reduced for designated in-person and telehealth office visits for certain outpatient services. These services may include: primary care provider office visits; mental health or substance use treatment (including outpatient psychotherapy, patient evaluations, and medication management visits); chiropractor services; acupuncture services; or physical and/or occupational therapy services. See your benefit description (and riders, if any) for exact coverage details.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see www.emiia.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at bluecrossma.org/sbcglossary or call 1-800-782-3675 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For medical benefits, \$2,000 member / \$4,000 family; and for prescription drug benefits, \$3,000 member / \$6,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

YOUR CARE

Access

This plan gives you the option to go directly to a specialist or any doctor in the HMO Blue New England network without a referral. Just show your Blue Cross Blue Shield of Massachusetts ID card and receive care. However, some services do require authorization. See your benefit description for details.

Primary Care Provider (PCP)

When you enroll in this health plan, you must choose a primary care provider. Be sure to select a doctor who is accepting you and your family members as new patients and participates in our network of providers in New England. For children, you may designate a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org; consult Find a Doctor at bluecrossma.com/findadoctor; or call the Member Service number on your ID card.

If you have trouble choosing a doctor, Member Service can help. They can give you the doctor's gender, the medical school the doctor attended, and whether there are languages other than English spoken in the office.

Your provider may also work with Blue Cross Blue Shield of Massachusetts regarding Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for certain benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$2,000** per individual membership (or **\$4,000** per family membership). **The entire family deductible must be satisfied before benefits are provided for any one member enrolled under a family membership.**

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible and copayments for covered services. Your out-of-pocket maximum for medical and prescription drug benefits is **\$6,450** per member (or **\$12,500** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your deductible, you pay nothing for emergency room services.

Telehealth Services

Telehealth services are covered when the same in-person service would be covered by the health plan and the use of telehealth is appropriate. Your health care provider will work with you to determine if a telehealth visit is medically appropriate for your health care needs or if an in-person visit is required. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org, consult Find a Doctor, or call the Member Service number on your ID card.

Your Virtual Care Team

Your health plan includes an option for a tech-enabled primary care delivery model where virtual care team covered providers furnish certain covered services. See your benefit description (and riders, if any) for exact coverage details.

Service Area

The plan's service area includes all cities and towns in the Commonwealth of Massachusetts, State of Rhode Island, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. See your benefit description for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see www.emiia.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at bluecrossma.org/sbcglossary or call 1-800-782-3675 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$2,000 individual contract / \$4,000 family contract.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care and prenatal care.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$6,450 member / \$12,500 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

YOUR CHOICE

When You Choose Preferred Providers

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. See the charts for your cost share.

Note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you're still covered, but your benefits, in most situations, will be covered at the out-of-network level, even if the preferred provider refers you.

How to Find a Preferred Provider

To find a preferred provider:

- Look up a provider on Find a Doctor at bluecrossma.com/findadoctor. If you need a copy of your directory or help choosing a provider, call the Member Service number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org

When You Choose Non-Preferred Providers

You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits. See the charts for your cost share.

You must pay a plan-year deductible before you can receive coverage for certain out-of-network benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$250** per member (or **\$500** per family).

Payments for out-of-network benefits are based on the Blue Cross Blue Shield allowed charge as defined in your benefit description. You may be responsible for any difference between the allowed charge and the provider's actual billed charge (this is in addition to your deductible and/or your coinsurance).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is **\$2,000** per member (or **\$4,000** per family) for in-network and out-of-network services combined. Your out-of-pocket maximum for prescription drug benefits is **\$3,000** per member (or **\$6,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

Telehealth services are covered when the same in-person service would be covered by the health plan and the use of telehealth is appropriate. Your health care provider will work with you to determine if a telehealth visit is medically appropriate for your health care needs or if an in-person visit is required. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.org, consult Find a Doctor, or call the Member Service number on your ID card.

Your Virtual Care Team

Your health plan includes an option for a tech-enabled primary care delivery model where virtual care team covered providers furnish certain covered services. See your benefit description (and riders, if any) for exact coverage details.

Utilization Review Requirements

Certain services require **pre-approval/prior authorization** through Blue Cross Blue Shield of Massachusetts for you to have benefit coverage; this includes non-emergency and non-maternity hospitalization and may include certain outpatient services, therapies, procedures, and drugs. You should work with your health care provider to determine if pre-approval is required for any service your provider is suggesting. If your provider, or you, don't get pre-approval when it's required, your benefits will be denied, and you may be fully responsible for payment to the provider of the service. Refer to your benefit description for requirements and the process you should follow for Utilization Review, including Pre-Admission Review, Pre-Service Approval, Concurrent Review and Discharge Planning, and Individual Case Management.

Value Care Offering Coverage

Your cost share may be waived or reduced for designated in-person and telehealth office visits for certain outpatient services. These services may include: primary care provider office visits; mental health or substance use treatment (including outpatient psychotherapy, patient evaluations, and medication management visits); chiropractor services; acupuncture services; or physical and/or occupational therapy services. See your benefit description (and riders, if any) for exact coverage details.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

Left Blank Intentionally

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see www.emiia.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at bluecrossma.org/sbcglossary or call 1-800-782-3675 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 in-network; \$250 member / \$500 family out-of-network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Emergency room and emergency transportation.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For medical benefits, \$2,000 member / \$4,000 family; and for prescription drug benefits, \$3,000 member / \$6,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

WELCOME TO DENTAL BLUE FREEDOM,

A DENTAL PLAN DESIGNED TO MANAGE THE COST OF DENTAL SERVICES.

Your Dentist

Dental Blue Freedom offers a large network of dentists, including participating dentists in Massachusetts and nationwide. When searching for a network dentist, Dental Blue Freedom members can choose from the Dental Blue PPO (Preferred Dentist) or Dental Blue (Participating Dentist) networks. Using a network dentist will minimize your out-of-pocket expenses.

If you would like help choosing a dentist, or already have a dentist and want to know if they participate with your plan, you can call the dentist, look at the current dental provider directory, or call Member Service at the toll-free phone number shown on your Dental Blue ID card. You can also access the online dental provider directory at bluecrossma.org.

Your Benefits

You will receive the greatest value if you visit a preferred dentist, because you will maximize the amount of benefits received under your plan.

The dental benefits your plan covers are subject to the calendar-year deductible and coinsurance (if applicable), and benefit maximum amounts shown in the chart. **For members under age 13, these benefits are covered in full up until the calendar-year benefit maximum.** The calendar year begins on January 1 and ends on December 31 of each year. The chart also shows the percentage of costs your plan will pay for covered dental services. Many of the covered services have specific time or age limits.

Pre-Treatment Estimates

If your dentist expects that your dental treatment will involve covered services that will cost more than \$250, Blue Cross Blue Shield recommends that your dentist send a copy of the "treatment plan" to Blue Cross Blue Shield before services are provided. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charge for each service. Once the treatment plan is reviewed, you and your dentist will be notified of the benefits available.

Remember, the payment estimate is based on your eligibility status and the amount of your calendar-year benefit maximum at the time the estimate is received and reviewed. (The actual payment may differ if your available calendar-year benefit maximum or eligibility status has changed.)

Multi-Stage Procedures

Your dental plan provides benefits for multi-stage procedures (procedures that require more than one visit, such as crowns, dentures and root canals) as long as you are enrolled in the plan on the date that the multi-stage procedure is completed. A participating dentist will send a claim for a multi-stage procedure to Blue Cross Blue Shield only after the completion date of the procedure. You will be responsible for all charges for multi-stage procedures if your plan has been cancelled before the completion date of the procedure.

How Network Dentists Are Paid – Preferred Dentists

For dentists who have a preferred provider contract with Blue Cross Blue Shield, benefits are calculated based on the provisions of the preferred dentist's payment agreement and the dentist's allowed charge that is in effect at the time the covered dental service is provided. Preferred dentists agree to accept the allowed charge as payment in full. You pay your deductible and coinsurance (if applicable), and any allowed charges beyond your calendar-year benefit maximum.

How Network Dentists Are Paid – Participating Dentists

For dentists who participate with Blue Cross Blue Shield, but do not have a Blue Cross Blue Shield preferred provider contract, benefits are calculated at the same benefit level that applies when the same covered dental services are provided by a preferred dentist. These dentists agree to accept the allowed charge as payment in full. You pay your deductible and coinsurance (if applicable), and any allowed charges beyond your calendar-year benefit maximum.

How Out-of-Network Dentists Are Paid – Non-Preferred or Non-Participating Dentists

Benefits for covered services by a non-preferred or non-participating dentist are provided based on the allowed charge or the dentist's actual charge, whichever is less. The allowed charge is based on a schedule of charges. You may be responsible for any difference between the dentist's actual charge or the allowed charge, whichever is less. You are also responsible for your deductible and coinsurance (if applicable), and charges beyond your calendar-year or lifetime benefit maximum.

When Coverage Begins

You are covered, without a waiting period, from the date you enroll in the plan.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your plan description (and riders, if any) for exact coverage details.

Accumulated Maximum Rollover Benefits

This dental plan includes an Accumulated Maximum Rollover Benefit. This rollover benefit allows you to roll over a certain dollar amount of your unused annual dental benefits for use in the future. There are limits and restrictions on this benefit. Refer to the Accumulated Dental Maximum Rollover brochure for further information.

Enhanced Dental Benefits

Enhanced Dental Benefits for certain dental care services are available for members who have been diagnosed with qualifying conditions. To learn more about specific conditions included in this benefit, review your plan description (and riders, if any) on MyBlue at bluecrossma.org.

If You Have to File a Claim

Network dentists will send claims directly to Blue Cross Blue Shield. All you have to do is show them your Dental Blue ID card. The payment will be sent directly to your dentist as long as the claims are received within one year of the completed service.

If you receive care from an out-of-network dentist, you will typically need to submit the claim yourself. Before submitting your claim, get an Attending Dentist's Statement form from Member Service.

After your dentist fills out the form, send it and your original itemized bills to Blue Cross Blue Shield of Massachusetts, P. O. Box 986030, Boston, MA 02298. All member-submitted claims must be submitted within two years of the date of service.

If you have a grievance, see your plan description for instructions on how to file a grievance.

Other Information

Coordination of benefits applies to plan members who are covered by another plan for health care expenses. Coordination of benefits ensures that payments from other insurance or health care plans do not exceed the total charges billed for covered services.

Your plan description has a subrogation clause, which means that Blue Cross Blue Shield can recover payments if a member has already been paid for the same claim by a third party.

MASSACHUSETTS

DENTAL BLUE® ACCUMULATED MAXIMUM ROLLOVER

At Blue Cross Blue Shield of Massachusetts, we know that oral health is a critical part of overall health. That’s why we offer a dental benefit that will allow you to roll over a portion of your unused dental benefits from year to year.

HOW MAXIMUM ROLLOVER WORKS

Beginning 60 days after the last day of your benefit period, your rollover amount will be added to your maximum benefit amount, increasing it for you to use that year and beyond (see below for amounts and maximums).

There is no cost to you. You don’t need to do anything. To figure out the amount of benefit dollars that are eligible to roll over, just use the chart below. Start by searching for your benefit period maximum in the first column. If Blue Cross

doesn’t pay out more claims dollars on your behalf than the amount in the second column, your benefit maximum for the next year will increase by the amount in the third column.

And, your rollover amount keeps growing and is available for you to use as long as your employer offers this rollover benefit.* The last column will show you the total amount of additional benefit dollars you can earn. It’s one more way we’re working to improve health care for all our members.

You can accumulate benefit dollars to help offset higher out-of-pocket costs for complex procedures.

This benefit applies to you automatically if:

- You receive at least one service during the benefit period
- You remain a member of the plan throughout the benefit period
- You don’t exceed the claim payment threshold in the benefit period

If your dental plan’s annual maximum benefit amount is:	And if your total claims don’t exceed this amount for the benefit period:*	We’ll roll over this amount for you to use next year and beyond:*	However, rollover totals will be capped at this amount:*
\$500–\$749	\$200	\$150	\$500
\$750–\$999	\$300	\$200	\$500
\$1,000–\$1,249	\$500	\$350	\$1,000
\$1,250–\$1,499	\$600	\$450	\$1,250
\$1,500–\$1,999	\$700	\$500	\$1,250
\$2,000–\$2,499	\$800	\$600	\$1,500
\$2,500–\$2,999	\$900	\$700	\$1,500
\$3,000 or more	\$1,000	\$750	\$1,500

*This is not a flexible spending account (FSA). The amount reflects your benefit maximum for a given year.

If you are enrolled in a MA coordinated care (HMO or PPO) plan or a MA private fee-for-service (MA PFFS) plan that includes Medicare prescription drugs, you may not enroll in a prescription drug plan (PDP) unless you disenroll from the HMO, PPO or MA PFFS plan.

WHICH DRUGS ARE COVERED?

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our Document Portal at: rxmedicareplans.memberdoc.com. Or, call us and we will send you a copy of the formulary.

HOW WILL I DETERMINE MY DRUG COSTS?

Our plan groups each medication into one of 3 “tiers”. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier, your out-of-pocket prescription costs to date and what stage of the benefit you have reached. Later in this document we discuss the benefit stages in your Medicare prescription drug coverage that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage. For more information about formulary tiers and stages of the benefit, please see the plan’s formulary and the Evidence of Coverage on our Document Portal at: rxmedicareplans.memberdoc.com, or contact Customer Care at the number listed above.

WHICH PHARMACIES CAN I USE?

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan’s pharmacy directory at our Document Portal at: rxmedicareplans.memberdoc.com. Or, call us and we will send you a copy of the pharmacy directory.

SUMMARY OF BENEFITS

January 1, 2024 – December 31, 2024

PRESCRIPTION DRUG BENEFITS

The benefits described below are offered by Blue MedicareRx, a standard Medicare Part D plan supplemented with benefits provided by your former employer.

Initial Coverage		You pay the following until your total yearly drug costs reach \$5,030 ¹ :	
Standard Retail Cost-Sharing		One-month supply	Three-month supply ²
Tier 1	Generic	\$5	\$15
Tier 2	Preferred Brand	\$10	\$30
Tier 3	Non-Preferred Drug	\$25	\$75
Specialty drugs are limited to a one-month supply per fill.			
Mail Order Cost-Sharing		One-month supply	Three-month supply
Tier 1	Generic	\$5	\$10
Tier 2	Preferred Brand	\$10	\$20
Tier 3	Non-Preferred Drug	\$25	\$50
Specialty drugs are limited to a one-month supply per fill.			
Coverage Gap	After your total yearly drug costs reach \$5,030, your former employer provides supplemental coverage that will keep your copayments and/or coinsurance as outlined above. Your copayments and/or coinsurance will not change until you qualify for Catastrophic Coverage.		
Catastrophic Coverage		After your yearly out-of-pocket drug costs reach \$8,000, you pay:	
Generic (including brand drugs treated as generic)		During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.	
All other Drugs			

1. All covered drugs are on the Blue MedicareRx group formulary/drug list.

2. Available at retail pharmacies that have agreed to allow members to fill 90-day supplies of their prescriptions.

GENERAL INFORMATION

In some cases, the plan requires you to first try one drug to treat your medical condition before they will cover another drug for that condition.

Certain prescription drugs will have maximum quantity limits.

Your provider must get prior authorization from Blue MedicareRx for certain prescription drugs.

Covered Part D drugs are available at out-of-network pharmacies in special circumstances as long as the pharmacy is located within

MEDICARE COVERAGE GAP DISCOUNT PROGRAM

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs to Part D enrollees who have reached year-to-date “total drug costs” of \$5,030 and are not already receiving “Extra Help.”

If you have reached year-to-date “total drug costs” of \$5,030, your former employer provides supplemental coverage that will keep your copayments and/or coinsurance in the Coverage Gap the same as what you pay in the Initial Coverage Level. Both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs and move you through the Coverage Gap. The amount discounted by the manufacturer will count toward your out-of-pocket costs as if you had paid this amount. Your Explanation of Benefits (EOB) will show any discounted amount provided.

the United States and its territories. For examples of what would qualify as special circumstances, refer to the Evidence of Coverage (EOC). Your copayment and/or coinsurance at out-of-network pharmacies is the same as at network pharmacies and depends on whether you purchase a Generic, Preferred Brand, Specialty or Non-Preferred drug.

Medicare considers drugs which cost more than \$950 for a one month supply to be specialty drugs.

Once your out-of-pocket costs reach \$8,000, you will move to the Catastrophic phase and the Medicare Coverage Gap Discount Program will no longer be applicable.

If you have any questions about the availability of discounts for the drugs you are taking or about the Medicare Coverage Gap Discount Program in general, please contact Customer Care.

SAVE MONEY ON ELIGIBLE MEDICATIONS WITH THE COST-SHARE ASSISTANCE PROGRAM

You shouldn't have to go out of your way to get savings. The Cost-Share Assistance Program provides financial assistance, using coupons from manufacturers of medication, to cover most or all of your out-of-pocket costs for eligible medications. To get the savings, all you need to do is enroll. You don't have to change anything about your prescriptions, including how or where you fill them. It's that easy.

HOW THE COST-SHARE ASSISTANCE PROGRAM WORKS

Enroll in the Program

If you're taking an eligible medication, you'll be contacted by PillarRx Consulting, an independent company that administers the program. Tell them you'd like to enroll.

Fill Your Prescription

When filling your prescription as you normally do, a manufacturer's coupon will automatically be applied at checkout.

Enjoy the Savings

The coupon reduces your out-of-pocket cost to anywhere between \$0 and \$35, depending on the medication.

Get Personalized, Ongoing Support

PillarRx will monitor your claims every month to make sure you're receiving the correct savings. They'll provide additional support as needed.

YOU MUST ENROLL TO GET THE SAVINGS

If you don't, you'll be charged 30% co-insurance.

Enrollment is optional. However, if you're eligible for the program and choose not to participate, your out-of-pocket costs will be higher because you'll be responsible for paying 30% of the eligible medication's full cost when filling your prescription. A Care Team Coordinator from PillarRx will be happy to help you enroll, so you can avoid the 30% co-insurance.

Enroll Today

If you're eligible for the Cost-Share Assistance Program, a Care Team Coordinator from PillarRx will call you to help you enroll. You can also call them at **1-636-614-3128** (TTY: 711).

(continued)

What is a manufacturer's coupon?

A manufacturer's coupon (also known as a copay card, copay coupon, copay assistance card, or manufacturer financial assistance) is part of the copay savings programs offered by manufacturers of medication to members with commercial health insurance.

How do I or my dependent enroll in the program?

If you or your dependent is taking an eligible medication, a Care Team Coordinator from PillarRx will call you to help you enroll in the Cost-Share Assistance Program. If you or your dependent starts taking an eligible medication after the effective date of the program, a Care Team Coordinator will reach out to you, or you can call them at **1-636-614-3128** (TTY: 711).

What if I'm already using a manufacturer's coupon?

Even if you already use a manufacturer's coupon for your eligible medication, you or your dependent will still need to enroll in the program. If they haven't already, a PillarRx Care Team Coordinator will reach out to you. You can also call them at **1-636-614-3128** (TTY: 711). They'll ensure that you're getting the most from your benefits, based on your participation in the program.

Am I required to enroll?

No, enrollment is optional. However, if you don't enroll, your out-of-pocket costs for your medication will be higher. If you or your dependent doesn't enroll, you'll be responsible for paying 30% of the cost of the eligible medication.

What if I filled my eligible medication before I enrolled in the program?

If you've already filled an eligible medication and you're eligible for the program, call PillarRx at **1-636-614-3128** (TTY: 711) to learn more about retroactive enrollment.

How does the program affect my out-of-pocket maximum?

Once you or your dependent is enrolled in the Cost-Share Assistance Program, your plan will apply only your *actual* out-of-pocket costs to your annual out-of-pocket maximum. For example, if you pay \$10 for an eligible medication, only \$10 will be applied to your annual out-of-pocket maximum.

How does the Cost-Share Assistance Program affect my deductible?

If you have a Health Savings Account (HSA)-qualified "Saver" plan, or a plan with a deductible that applies to your pharmacy benefits, your plan will apply your out-of-pocket costs to your annual deductible as well as to your out-of-pocket maximum.¹ For example, if you pay \$10 for an eligible medication, \$10 will be applied to both your out-of-pocket maximum and your deductible.

What happens if the manufacturer no longer offers financial assistance for my medication?

PillarRx will notify you that your medication is no longer eligible for this program. You'll then pay the standard cost share for this medication according to your pharmacy benefit. Check your Summary of Benefits or Schedule of Benefits for details.

Are there instances where I may not be able to sign up for the program?

Although most members can enroll, there may be specific instances that make you ineligible for the program, such as:

- You have or are eligible for government health insurance, such as Medicare or Medicaid
- Your medication isn't approved by the Food and Drug Administration (FDA) to treat your condition
- Your medication has specific age restrictions you don't meet
- You use a secondary insurer in addition to Blue Cross to cover your plan's out-of-pocket costs

If a manufacturer of medication determines that you're ineligible for the program, PillarRx's Care Team will ensure that your medication is covered, based on the standard cost-share amount that applies for all other covered medications and supplies as described in your Summary of Benefits, Schedule of Benefits, and/or riders. In this instance, you wouldn't be eligible for cost savings for your medication through this program.

Questions?

Call a PillarRx Care Team Coordinator at **1-636-614-3128** (TTY: 711), Monday through Friday, 8:00 a.m. to 7:00 p.m. ET.

SEE IF YOUR MEDICATION IS ELIGIBLE

DENTAL BLUE® ACCUMULATED MAXIMUM ROLLOVER

At Blue Cross Blue Shield of Massachusetts, we know that oral health is a critical part of overall health. That’s why we offer a dental benefit that will allow you to roll over a portion of your unused dental benefits from year to year.

HOW MAXIMUM ROLLOVER WORKS

Beginning 60 days after the last day of your benefit period, your rollover amount will be added to your maximum benefit amount, increasing it for you to use that year and beyond (see below for amounts and maximums).

There is no cost to you. You don’t need to do anything. To figure out the amount of benefit dollars that are eligible to roll over, just use the chart below. Start by searching for your benefit period maximum in the first column. If Blue Cross

doesn’t pay out more claims dollars on your behalf than the amount in the second column, your benefit maximum for the next year will increase by the amount in the third column.

And, your rollover amount keeps growing and is available for you to use as long as your employer offers this rollover benefit.* The last column will show you the total amount of additional benefit dollars you can earn. It’s one more way we’re working to improve health care for all our members.

You can accumulate benefit dollars to help offset higher out-of-pocket costs for complex procedures.

This benefit applies to you automatically if:

- You receive at least one service during the benefit period
- You remain a member of the plan throughout the benefit period
- You don’t exceed the claim payment threshold in the benefit period

If your dental plan’s annual maximum benefit amount is:	And if your total claims don’t exceed this amount for the benefit period:*	We’ll roll over this amount for you to use next year and beyond:*	However, rollover totals will be capped at this amount:*
\$500–\$749	\$200	\$150	\$500
\$750–\$999	\$300	\$200	\$500
\$1,000–\$1,249	\$500	\$350	\$1,000
\$1,250–\$1,499	\$600	\$450	\$1,250
\$1,500–\$1,999	\$700	\$500	\$1,250
\$2,000–\$2,499	\$800	\$600	\$1,500
\$2,500–\$2,999	\$900	\$700	\$1,500
\$3,000 or more	\$1,000	\$750	\$1,500

*This is not a flexible spending account (FSA). The amount reflects your benefit maximum for a given year.

HERE'S HOW IT WORKS

START BY PICKING
YOUR VIRTUAL PCP

ENJOY MORE
CONVENIENT CARE

GET THE BEST
OF BOTH WORLDS

To get started with your Virtual Care Team, the first step is selecting a virtual PCP. You'll also get access to a care coordinator, and your team may include other experts, such as a mental health specialist, picked based on your health needs. It's the care you need most, in the most convenient way.

Scheduling visits is as easy as hopping online, with appointments available in days, and you can get them within days, not weeks. Plus, you can reach out to your team with questions via talk, text, email, and chat. It's care that works on your terms, on your schedule, wherever you are, with a level of communication, technology, and access that will surprise you.

After your first visit, you'll receive a welcome kit which may include connected medical devices, like a blood pressure monitor, that make your virtual care as thorough as in-person sessions. When you do need in-person care, your team will help find a specialist who works for you and follow up with you after the appointment.
