

NORWELL FIRE

YOU'RE INVITED!

Retirement Drive -Thru July 31, 2020

WE WANT YOU to help us celebrate Chief Reardon's Retirement!

Having served over forty years with the Norwell Fire Department, the Chief will be working his final shift. Due to the ongoing COVID-19 Pandemic, we'll be having a **drive-thru** "send-off" on the station's apparatus floor (garage). The station garage has enough floor space to accommodate the Chief's visitors while adhering to Governor Baker's Phase 3 COVID-19 Guidelines for events. All visitors will be directed to drive-thru the station by our staff. Once you arrive inside the station garage, you will have a chance to congratulate the Chief for his incredible career. Please stay inside your vehicle at all times and speak to him from the comfort of your car.

To
Drive
Thru!!

We want you!

You'll be prompted to enter the parking lot and directed to drive-thru the station garage.

Visitors are required to stay inside their vehicles so that we can prevent the spread of COVID-19

Please keep conversations to a minimum so everyone gets a chance to congratulate the Chief!
