SUMMARY OF BENEFITS NOTICE				
Availability of Summary Health Information				
As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The SBC is available in our Norwell E-Kit through Blue Cross Blue Shield at: https://planinfo.bluecrossma.com/ekit/2019-miitownofnorwell-en_US.pdf . A paper copy is available, free of charge, by calling 781-659-8070.
