The Jacobs Homestead West Barn is a beautiful English-style hay barn and stable built in the early- to mid-1800s by the Jacobs family. The timber-framed barn rests on a fieldstone foundation and has a large open area of 840 square footage with a capacity for 50 people. This unique venue is available for use by individuals and groups for sales, parties and events. Other features of the barn not available for use, but available for viewing during use are: the tack room and stairs to the hay loft, and the 4 horse stalls with original features including historic hay racks.
