### **Washington Street Plans:**

The Board discussed plans for the Jack McInnis memorial, Fred St. Ours wants to keep it on the agenda and Steve Ivas still needs time to come up with ideas for plantings.

### **Bill Trust:**

Jason Federico explained effective June 1<sup>st</sup> Bill Trust will not support online payment. An insert was done to advise residents. Jason Federico will speak to Pam Adducci in the Collection office tomorrow.

### **Well #1 Update:**

Jason Federico advised Well #1 is back online due to rising demand.

### **Dirty Water Last Week:**

Jason Federico explained there had been a fire on South Street and a service was hit on Green Street by a contractor. In addition, a section of road was shut down to make repairs on Common Street and River Street.

### **DEP Meeting:**

Peter Dillon mentioned an upcoming meeting with the DEP to help identify where PFAS contamination is coming from. One possible theory is it may have occurred from a tanker truck accident 1993; Peter Dillon will obtain a video clip to review. Norwell is one of six communities that has this one PFOS strain. The research will be paid for by the State and Peter Dillon noted fire retardant fabric has PFAS and PFOS is in the fire fighting foam.

Fred St. Ours made a motion to adjourn the meeting at 5:24 PM, seconded by Steve Ivas.
